CDS 4.8^{SV} ZEROREZ EDITION

HydraMaster teams up with ZeroRez to give you a complete corrosive resistant package to make you more money!

Reduce your operating costs with the new, 2026 CDS 4.8 **ZEROREZ EDITION**.

A CDS (clutch drive system) package like no other for ZEROREZ® franchises. Using a Chevy Express extended van with a 4.3L, 6.0L or 6.6L engine you will have a complete package, even storage options. Add LineX protectant spray on floor and walls to protect your investment and you're ready to go.

Industry's Most Proven Design!

SV Now compatible with 2021+ CHEVY/GMC 4.3L, V-6 or 6.6L, V-8 engine

Enhanced Corrosion Resistance

Simple-to-operate, easy to train your cleaning techs

Flexible and powerful performance allows for many uses.

Lower maintenance and ease of serviceability reduces costs and downtime, plain and simple.

Smallest footprint in industry. Compact, space saving design allows flexibility in van set up
